

Introduction to QGIS

September 23, 2026

**Alliant Energy Ag Innovation Lab, Rm 1060
3800 University Blvd, Ames, IA 50010
8:30 a.m. – 4:30 p.m.**

This workshop offers a guided introduction to QGIS, a free mapping platform used by governments, researchers, and nonprofits to visualize and communicate spatial data in ways tables alone cannot.

Workshop highlights

- Receive a guided, beginner-friendly introduction to QGIS, a free, open-source mapping tool
- Gain hands-on experience exploring and working with spatial data
- Learn how maps can be styled and organized to make information easier to understand
- Create simple maps using real-world data that you can share or print

Course details

Visit <https://go.iastate.edu/3LALBL> or scan the QR code to learn about more and register for both Intro to QGIS and Intro to Tableau Public.

Course Fee:
\$250
Fee for multiple attendees:
\$240 per registrant

Additional Opportunity

Attend “Unlocking the Power of Community Data: Intro to Tableau Public” the following day, September 24, and pay a discounted fee of \$480 for both workshops

This institution is an equal opportunity provider. For the full non-discrimination statement or accommodation inquiries, go to www.extension.iastate.edu/legal.

ISU staff & students course fee: \$225 per workshop
